Yesterday the school was abuzz with action. Mr Whelan and students were locating the optic fibre cable and then trenching in readiness for three phase power to be installed to the new trade training centre. Early next term we should see the construction of a large shed which will become the new Engineering section of the school.

At the Campbell Street boundary of the school, Mr Tyler, Mr Valentine, students and Conservation Volunteers Australia were establishing our new native garden area.

In the Home Economics room, Mrs Nuccia McLean, Mr Knights and Year nine Advance students were making pasta to serve to students at lunch time.

This, on top of the usually busy school curriculum, meant for another busy day in the life of the school.

Our year twelve students have only three weeks of school following the holidays. It is expected that they will spend a considerable amount of time during the holidays completing work, studying, revising, attending holiday classes and completing past examination papers. Mr Christie (Later Years Manager) sent home a letter to all year twelve students detailing specific work expected of each student along with important dates. Please ensure you read this.

Term three is always the busy term due to sporting commitments at weekends and a variety of school activities. Today term three ends and all but year 11 & 12 students can take a breather for a time. Term Four is already looking to be another busy
time. We will have the school production MADAGASCAR along with end of semester examinations for years 9, 10, 11 and 12. Of course, we all hope that a busy harvest will also be evident.

All the very best for an enjoyable, relaxing and safe holiday period.

**Rural Women @ Work**

On Wednesday, Mrs Eileen Smith and the girls from year eleven attended the Rural Women at Work launch in Charlton. They were able to hear many excellent speakers of how women have forged out very successful careers in rural Victoria. The theme of the day was to think outside the square and not in a predictable manner. Kate Watts was interviewed by Libby Price from the ABC Country Hour. Alex Gartmann was one of the list of speakers as was Fiona Best who also featured on the DVD.

**Takanori Murakami & Emika Fuseya**

Thank you to Diona, Ron, Darcie, Ethan and Leslee Cooper, and Cathy, Graeme, Brady, Sam and Ben Milne for hosting Takanori. He is going to travel around Uluru and Sydney before he goes back to Japan. We hope he had a good time with us in Birchip and wish him good luck with his further studies in Tokyo. Emma, Rodney, Amy, Katie and Cameron Bennett Family hosted Emika for four weeks. Thank you for your hospitality. Emika will be back to us in Term 4.
Students, Conservation Volunteers and staff working on the Campbell Street garden makeover. Many thanks to Mr Tyler for his initiative and work in this area. Thanks also to Cameron Flowers for his assistance and support. Dave Valentine also donated his time and energy for this project. Thanks Dave.
Year Nine – Advance – Pasta & Ice-cream Day

On Thursday 17th September 2009 the year 9 Advance class participated in raising money for the Birchip Hospital. On the day we served pasta with spaghetti sauce and ice cream. With the help of Nuccia Mclean we were able to serve pasta and ice cream to most of the students and staff at the school. All the money raised will go to the Birchip Hospital. Thanks must go to Mrs Barb Smith and Miss Meehan for allowing us to use the Home Economics room. Many thanks must go to Nuccia Mclean for helping out on the day and donating the meat and sauce.
The Nuts and Bolts of school

In every direction the Birchip P-12 School’s landscape is changing. A ramp and electronic doors have been installed into the library and during the holidays the whole building will be repainted and carpeted. New shelves will be installed which will have touch computer screens built into the ends of them. To complement the library outfitting a new, more modern circulation desk will be built.

To the west of the library, what were the old maths room are being totally refurbished with new blue cladding and huge sliding doors that open out onto a stage and into an enclosed court yard.

Very soon the construction of the Trade Training Centre will commence which will allow students from Year 9 upwards to study engineering. Soon after half of the Home Economics room will be converted into a commercial kitchen; complete with stainless steel equipment and all the gadgets one would expect to find in a commercial kitchen.

Year 4 & 5 Class

It was a celebration and reward for persisting, striving for accuracy, applying past knowledge, listening, remaining open to continuous learning, managing impulsivity, finding humour and questioning while we studied ‘Fantastic Mr Fox’ in English and fractions in mathematics.
Japanese Trivia Day

Last Friday 11th September, Birchip Japanese students welcomed students from Warracknabeal Secondary College and McKillop College, Swan Hill to a Japanese Trivia Day. Students from the three schools worked together in groups to answer questions.

Darcie Tierney was a member of the grand championship team. Shannon Southall showed his general knowledge skills, while Stephanie Martin and Cooper Benfield excelled in number questions. Maryanne Bell was on the winning table that scored the highest in Japanese language skills. Overall, it was a fun day and a real opportunity to learn Japanese in a fun environment.

The winners from Birchip were:
Grand championship – Darcie Tieney (Yr 7) and 3 from other schools
Round 1 (General) winner - Shannon Southall (8) and 3 from other schools
Round 2 (Numbers) winner - Steph Martin (8), Cooper Benfield (7) and 2 from other schools
Round 3 (Language) winner - Maryanne Bell (8) and 3 from other schools

SCHOOL AND BUSINESS WORKING TOGETHER

Onley’s Holdings Pty Ltd, builders of Donald are completely redeveloping the old maths rooms and have taken on Year 10 student, Tim Walder as a work experience student, one day a week. Builder, Kerryn Davidson is sharing his knowledge and expertise with Tim who is looking to pursue a career in building. This work experience allows students to not only break up their studies but to learn first-hand what it is like to be in the workforce. The school and Tim are very appreciative of Onley’s and Kerryn for giving youth of the area the opportunity to learn from skilled craftsmen.
Maths is Marvellous –
You can count on it!

Northern Zone Athletics
A team of 21 students will travel to Bendigo on Thursday 8th October 2009 (first week back).

Notes have been handed out and final details will be organised when students resume next term.

Unfortunately because all local buses have been booked for school camps we will be seeking transport assistance from parents.

Andrew Sayle

“Night” by Elie Wiesel
Miss Hicks is looking for copies of “Night” by Elie Wiesel. Year 11 students will need them next semester but we’re trying to avoid the students having to purchase the text themselves. The class has decided to use ‘Night’ due to their interest in the holocaust after the “Courage to Care” programme.

“Private Peaceful” –
by Michael Morpurgo
This text will be studied by Year seven students during term 4. The cost of the book is $13.10 and can be collected from the school office.

Grade 3 & 4 Camp to Pental Island
Grades 3 & 4 will venture to Pental Island during the first week of term 4 from Wednesday 7th October 2009 – Friday 9th October 2009.

Please ensure permission forms and money is returned to the school ASAP prior to the camp departing.

All help appreciated. Please bring shovels, rakes and wheelbarrows if possible.
Training Commences - Tuesday 29th
September at 5:00 p.m. at the George Cartwright Oval
Junior Cricket will again run this year.
Hopefully we can again field 3 teams.
The competition is open to boys and girls in grade 4 through to year 10.
Parents will be asked to volunteer their time to umpire on a rostered basis.
Names will be collected early in term 4 with an aim to starting on Saturday 17th October 2009.
Discussions have also taken place with Charlton to play a couple of games against their junior cricketers throughout the season.

Birchip Junior Golf
Today Friday 18th September 2009 will be the finish day for Junior Golf. Each junior is asked to bring along an adult partner (perhaps mum, dad or a friend) when a Canadian Foursome event will be played. A sausage sizzle and presentation of Championship Trophies will follow. Any enquiries to Beryl Fietz on 54 922 636.
AFTERSCHOOL ATHLETICS PROGRAM

The After School Athletics Program for students in Years 3-6 concluded on Tuesday with many students obtaining personal best performances. Congratulations to all students who participated in the program. Your enthusiasm and effort towards improving your skills was terrific. The support shown by numerous people over the course of the program was tremendous and without this support, such a program would not be able to be offered. Thank you very much to all of helpers for making this program successful and worthwhile.

Special mentions to the following people:

- Miss Sacha Meehan who diligently recorded all students times and distances and determined personal best performances as well as being an event helper. Miss Meehan found it a great way to become more familiar with the primary students and vice versa.
- Mr Gavin McRae who designed the computer program to record students scores and highlight personal bests. Mr McCrae participated in little athletics when he was much younger so as a group leader in the after school athletics program his knowledge and experience was well received by the students.
- Angela Gleeson’s experience and knowledge of the little athletics program was also very valuable. Angela supported her children’s involvement in Little Athletics before they moved to Birchip. Angela was able to offer practical suggestions to improve the program and was also a group leader.
- Connor Hogan and Jenny Hogan were the first aid officers as well as event helpers. Connor has recently undertaken the Workplace First Aid level 2 certificate so it was a good opportunity gain experience.
- Jacinta Connelly and Jackie Tierney were both regular event helpers and their level of commitment and organization was very much appreciated.

Thank you also to Jacob Christie, Luke O’Donnell, Ashleigh Baird, Tammy Tait, Rachel Colbert, Janine Paley and Taka for attending and helping on several occasions and to anyone else who happened to turn up just at the right time to lend a hand. It was pleasing to note that helpers over the course of the program increased which benefited the students greatly. Well done.

Special thanks to Mrs Michelle Lee. It was Michelle’s initiative, energy and time in the first place which saw the introduction of the after school athletics program. Thank you Michelle from the entire school community.

One to One Notebook Program 2010

Thank you to all families who responded to the 1:1 notebook survey program being investigated by school council. Thus far we have 56 responses from 115 families (49%). Whilst this is a reasonable response for a survey, school council believe a greater number of responses is required. I have duplicated the survey letter on the next page for those families who as yet have made no response. We would appreciate your thoughts be they negative or positive. We would also appreciate any comments and/or questions you may have in this matter.
Dear Parents,

One to One Notebook Program

We are investigating the possibility of implementing a one to one notebook program at the Birchip P-12 School from 2010. This would involve every student from year 5 to year 12 having their own notebook (computer). Currently every grade 5 student has their own netbook which they use both at school and at home. It is envisaged that Grade 5 & 6 students would have the smaller netbooks and secondary students would have the larger notebooks. All notebooks would become part of a three year rotation cycle.

The notebooks would remain the property of the school for a period of three years after which they could then be purchased for a small sum e.g., $1.00. This avoids issues with software licensing, warranty, GST etc.

We are investigating various notebooks at the moment including the Lenovo and Toshiba brands. Each would have similar specifications including:

- Intel® Core™2 Duo processor T6670 (2.2GHz, 800MHz FSB, 2MB L2 Cache)
- Genuine Windows Vista® Business 32bit SP1
- 14.1" WXGA TFT Active Matrix Display (1280x800)
- 4GB DDR2 (800MHz)
- 160GB HDD (5400rpm)
- DVD SuperMulti Double/Dual Layer Drive
- WLAN (802.11a/g/n); 1GBit LAN
- 3year onsite next business day warranty
- Robust carry bag

We envisage the cost of these notebooks to be approximately $900.00 each and that students would have these notebooks for three years prior to changeover. (Netbooks for Grade 5 & 6 students would be slightly cheaper – approximately $700.00)

The school would fund $500.00 per notebook with a co-contribution from parents of $400.00. This co-contribution would only be payable during the first year with nothing payable during the second and third years. This co-contribution could be paid in one single year payment of $400.00 or eight payments of $55.00 during the first year.

This letter is to ascertain parent interest / approval only. Please complete the form below and return to the school office prior to Tuesday 15th September 2009. Your feedback will form the basis of discussion at next week’s Birchip P-12 School, School Council meeting on Thursday 17th September 2009.

Thank you for your feedback.

John Richmond
Principal

BIRCHIP TENNIS CLUB NEWS

Tennis is a great way to keep fit over summer. The Birchip Tennis Club welcomes all old and new players to register for what should be a very social and fun season.

The 2009/2010 season will be very shortly upon us, starting on Saturday October 10th just three weeks away.

Could you please register your name for a team with Fiona Best 0427 922 786 a.s.a.p. The AGM will be held next Thursday 24th August at the tennis club rooms at 7.30 p.m.

Prior to that a working bee will be held from 6.00 p.m. onwards to clean up clubrooms and general tidy up.

The tennis coach from Wedderburn will start Friday coaching sessions in early term 4, so please register your name with Louise Lee, Heather Hogan or Julie Coffey.

MISSING

Orange Sandwich Tupperware container went missing late last week with Botheras sticker on it.
WORKING BEE – WEDNESDAY 14TH OCTOBER 2009

The Physical Resources Sub-Committee of School Council plan to conduct a working bee to remove an old shed, raised garden and lots of rubbish around the school and ovals. We plan to remove this directly to the tip. We also plan to trim and remove many dead trees and limbs around the fitness track and school in general.

We need approximately 3 tray trucks, 3 front end loaders, chainsaws, shovels and rakes along with manpower to assist us.

If you can assist, please leave your name at the school office or contact John Richmond on 0417 106 033. Letters will go home in early term 4 as reminders.

Dream Tree, an acoustic guitar duo, will be performing at St Paul’s Anglican Church, Birchip at 7:30 p.m. on Wednesday 7th October 2009.

Admission is by gold coin donation and there will be supper at the conclusion of the concert. Families are especially welcome as it won’t be a late night.

Enquiries: please contact Canon John Fowler on 54 911 656 or visit www.dreamtree.net.au

Birchip P-12 Staff – Brownlow Evening

On Wednesday evening, the Birchip P-12 Staff thoroughly enjoyed a magnificent Filipino meal prepared by Tina Garcia, Trish Lehmann and Jenny Hogan from the Parents’ Club. The staff tipping competition this year involved the staff choosing their winning teams each week PRIOR to the season commencing. Simone Christie then collated all this information for staff on the night. There was the usual ‘red carpet’ interviews on arrival with Mr Sayle conducting Interviews and Mr Welton videoing the proceedings. These were then shown during the evening. Mr Tyler provided musical items for all to enjoy. Mr Christie performed the role of MC with aplomb. Congratulations to Mrs Taylor (or should we say John Howden) for winning the competition. Many thanks to Tina Garcia, Trish Lehmann and Jenny Hogan for their fantastic efforts in catering for the evening.
Georgina Gould from ‘Georgie’s Café’ has provided an updated lunch order which will take effect from Monday 5th October 2009. Please ensure you use this price list and discard previous editions.

“Mr Knights, Mr Knights. Look we were *Thinking Flexibly!!*"

It was a great solution to an annoying problem.

Jesse and Emily were having trouble anchoring the pasta machine to the bench in the Home Economics room during the pasta day yesterday.

Jesse took it upon himself to visit the wood room to get a couple of clamps and their problem was solved. And how exciting it is that they recognised they had used a Habit of Mind in the process.

Nuccia McLean (Pasta Queen), Mr Delaney and Mr Knights responding with wonderment and awe at the amount of pasta the students had produced.

Year Nine ADVANCE students made pasta and sauce for most students and staff at school yesterday. Proceeds of the pasta day and casual day will go towards the Birchip Hospital.
