Lions Youth of the Year

Wednesday 8th December 2010 at the Birchip Community Leisure Centre.

Nicholas Bales, Conor Hogan, Mikaela Christie, Emily Noonan, Hayden Collins and Hugh O’Keefe from year 11 are the six entrants in this year’s Lions’ Youth of the Year.

It takes much courage to speak in public and the Birchip community is urged to come along and hear these students speak.

There will be a dinner before the speeches and if anyone in the community wants to come for the meal, cooked by the netball club ($25.00), they should let Eileen Smith know before Monday. Please contact Eileen at the school. However, if you want to just come for the speeches, that is fine too. The speeches will commence at 8:00 p.m.

Student reports –
Thursday 16th December 2010

Student reports will be distributed to all students Prep – 11 from 3:15 p.m. on Thursday 16th December 2010. School magazines will also be distributed to students who have ordered and paid for them.

Year Seven Science –
Heart Dissection

There is nothing like gaining the interest of students than running a practical class and this week, Miss Connely Barclay’s year 7 Science students gained an understanding of the working of the heart by dissecting the organ in class. The students worked in groups of three and carefully and with precision, cut through the main vessels while investigating which parts were linked and what the exact function of each section of the heart was.

The students dressed in their lab coats and sporting safety glasses, they looked like authentic scientists.

Last day of the school year
Friday 17th December 2010

On the Friday (DEECD official last day), staff will be involved in rearranging rooms and moving furniture and equipment in readiness for the new school year. Students who attend will either be expected to assist with this task or will be involved in supervised alternative educational activities, not in their normal timetabled classes.

School hours on the final day of school will be 9:00 a.m. to 1:15 p.m.

Buses will run at the normal time in the morning however home bound buses will depart the school at 1:15 p.m. This is approximately 2¼ hours prior to the normal scheduled times. Bus travelling families are asked to ensure their children are collected from their bus stops at this earlier time.
France & Belgium Presentation to the Birchip Community

Last night I attended the presentation to the Birchip community by the staff and students who went to France and Belgium. The students’ presentations were excellent and Mr Whelan, Mrs Smith along with Nicholas Bales, Conor Hogan, Emily Smith, Hayden Collins, Riley Doran and Courtney Gleeson are to be congratulated for their efforts, time and willingness to be involved. It is evidence to the fact that education is not limited to the four classroom walls. The growth in our students’ awareness of the world and their confidence with public speaking is wonderful to see. The students and Mr Whelan also displayed many items brought home including brochures, maps, shrapnel and other artefacts from their journey. Their custom framing of soldiers studied was amazing. Thank you for last night’s efforts and congratulations.

.... and now for next year!

An information session will be held on Tuesday 7th December 2010 for students interested in going to France and Belgium in 2011. The objective of the night will provide parents and students with an outline of the proposed trip. It is open to all current students in years 8, 9 & 10. The session starts at 7:00 p.m. in rooms 11 & 12. Following the session expressions of interest in the trip and the applications for the trip will be sought with further information sessions held throughout 2011.

Celebration Lunch

At the other end of the school, beautiful aromas flowed from the Home Economics room as the year 9 and 10 food students enjoyed a "Celebration Lunch" to showcase the skills they had learnt throughout the semester. The smorgasbord menu included; tossed salad, chicken parmigiana, boiled rice, beef stroganoff, lemon delicious and chocolate muffins.

The students enjoyed the process of planning and preparing the menu. And as the old adage says, the proof of the pudding was in the eating; the students left nothing on their plates as they were all very pleased with their appetising feast.

Japanese Trivia Day

On Friday 19\textsuperscript{th} November 2010, we hosted the Japanese Trivia Day in Birchip. It was a great experience to learn more about Japan and its culture and to see students learning Japanese together.

Congratulations to Sophie Hogan and Justin Naylor for winning the Grand Championship.

Kanga Cricket Report

Boys

After an early departure at 7am our teams arrived at Hamilton and commenced their first games shortly after 10am.

For the boys, the first opponent was Mortlake. We knew from last year’s experience that this was going to be a tough challenge. Going to the toss, skipper Royce Bennett was dwarfed by his opposing number who was about as tall as Mr Welton- and they had two more of similar ilk in the team as well. We batted first and the first two pairs coped well with the onslaught of fast bowling to post a score of none for forty four at the halfway mark. Unfortunately the second half of the innings battled and we lost 8 for 27, leaving us with a final score of eight for 71. Mortlake passed our score early and finished at 4 for 155 giving them a comfortable victory when the 5 runs per wicket were added on.

Second up was against the strong St Joseph’s, Warrnambool side that would ultimately go on to the final at the MCG. Once again we batted first and posted 5 for 65. A partnership of 22 from Jayden McGinnis and Joe O’Donnell was our top score, the next best being 20 from Sam Milne and William Naylor. Jack Lee showed great courage to bat on after being felled by a nasty blow. St Joseph’s posted 138 runs but we managed to claim four wickets, including a great run out by Seamus Lowry.

Our last game was against Bundarra, a Portland school, and like us they had not won a match so one team was going to be happy after this encounter. We had improved since our first game and were up for the challenge ahead. Batting first again we posted our best score of the day of 2 for103, with a more than useful final partnership from Carl Egerer and William Naylor adding 38 vital runs. Bundarra struggled early and at the halfway mark were 0 for 29. They had endured some pace bowling from Joseph Reid, Royce Bennett, Sam Owa and Jayden McGinnis which resembled the Larwood bodyline era and some of the Bundarra batsmen were nursing bruises. From a seemingly hopeless position the opposition surged. William Naylor was tossed the ball for the nail biting last over and Bundarra needed ten to win and we still had not managed a wicket. A single, a dot ball, a two early and then the batter skied a ball and after what seemed an eternity Jayden McGinnis offered that he caught it over the boundary and so it was six. Ball number and the pressure was mounting on William. He bowled a marginal ball which was called wide. The wide meant 2 runs and the unthinkable had happened, Bundarra was in front by 1. The free hit was stroked to cover and unbelievably the batters took off! Royce pounced and from about 5 metres away affected the runout by sending a stump flying out of the base. A run out is the only way you can go out of a free hit so the 5 runs put us in front by 4 runs with one ball to go. William as cool as you like delivered a legitimate ball which went safely through to keeper Egererer and victory was ours. Final score Birchip 2 for 108 and Bundarra 1 for 104.

Girls

In the girls carnival, three rounds were played. Birchip girls won one game out of three in very warm conditions. With very little time to warm up our girls came up against Mortlake in the first game. The Mortlake team made the most of opportunities to make quick single runs in their batting innings, but the reaction time of the Birchip fielders improved from last week at Donald and hence limited the number of extra runs Mortlake could make. Mortlake won this game, 152 to Birchip's 119. After a very quick break, Birchip came up against Timboon. Birchip commenced strongly and kept Timboon to a low score as well as taking several wickets. However, Timboon's bowling line up kept Birchip's runs to a minimum with every last run and wicket impacting on the final score. Birchip were victorious in this game, winning by eight runs; Birchip 115 to Timboon 107. The last round saw Birchip play a very hard hitting East Warrnambool team. The high scoring innings by the East Warrnambool's batting line up may well have dampened Birchip's enthusiasm, but credit to the girls their positive attitude and steady performance through out their bowling and batting innings resulted in their highest score for the day despite being defeated. East Warrnambool were 234 runs to Birchip's 152. Every girl had a very positive impact on each game in some way. Congratulations to all girls on their performance.

Many thanks to our children for their efforts, skills and behaviour on the day. Thank you to Mrs Paley, Mrs Botheras and Mrs Reid for their support. Special thanks to Mr Greg Welton and Mrs Michelle Lee for managing the girls’ and boys’ teams and sharing with the driving.

7-8 girls Super 8s Cricket.

On Tuesday 23rd November 2010 the year 7-8 girls super 8s team travelled with Miss McKenzie in the community bus to Melton. We had a very early start having to leave the school at 6:00 a.m. We arrived in Melton just before the game started. Our first game was against Emmanuel College. We batted first and ended up with 80 runs including the wickets when we bowled. Each pair of batters has to bat for 2 overs. The best batters for this game were Dammy Owa and Diane Wineera equalling 35 runs together. Our bowlers got 2 wickets for the game with Hayley Hogan bowling the best over 0 runs for 1 wicket. For each wicket you get 5 runs added to your score. In the end we lost this game by 30 runs. The second game we played St Joseph’s College, where we made 76 runs. Dammy Owa and Diane Wineera yet again made the most with 37 runs. We got 6 wickets for the game and Hayley Hogan had the best bowling over with 2 runs for 2 wickets. We lost this game by 9 runs. For the third game we played Ouyen SC making 95 runs. Hayley Hogan and Laura Phelan made the most runs for this game, with 37 runs. We got 4 wickets for this game and the best bowler was Marnie Lehmann with 7 runs for 1 wicket. We lost this game by 35 runs. Although we lost all of our three games we all tried our best and had heaps of fun. We would all like to thank Miss McKenzie for driving the bus and looking after us for the day.

Birchip Junior Cricket

Results of Game 5 (Indoor game)
McKay 115 defeated Siddle 45

**McKay**
- E. Cooper/J. Sayle 30 runs
- J. Reid/S. Milne 41 runs

**Siddle**
- J. Boyle/J. Gleeson

Unfortunately Siddle were a couple of players short and although allowances were made to even up the bowling and batting it made it difficult for them fielding with 2 less players.

It is important that if you know you are going to be away that you notify your captain so a suitable replacement can be found.

Results of Game 3 (Washed out earlier and finished last night after school)
Siddle 124 defeated McKay 117

This was a great game with some terrific highlights. It is not very often that a team wins when they have to chase over 100 runs, but Siddle did it with sensible batting against some good bowling and fielding

Highlights include:

**McKay**
- Riley Doran 35 retired
- Alex Hogan 16 retired
- Ethan Cooper 13
- Ben Milne 2 wickets for 0 runs
- Joseph Reid 2 catches!

**Siddle**
- Brenten Delaney 40 retired
- Jacob Christie 22
- Joe Boyle 14
- Connor McGinnis 13

This week is the second week of game 4 of the draw with White chasing 83 runs to achieve victory against McKay

Year 7 students have been busy in recent weeks designing a two course menu to prepare in class

- They have been **Creating, Imagining and Innovating** as they decide what they will cook and of they need to modify the recipe in any way.

- They have had to **Strive for Accuracy** to ensure that they use suitable cutting techniques and follow correct cooking times

- When tasting their creation they have **Gathered Data through all the Senses** identifying taste, texture, appearance and aroma

- **Interdependent Skills** have been used as every student has worked with others each week

- We have all **Responded with Wonderment and Awe** at the amazing food that all the students have made
